MANAGEMENT EDUCATION

About IMRC 2024:

Spearheaded by the institute's Centres of Research Excellence, IIMA is happy to announce its inaugural India Management Research Conference: IIM Ahmedabad (IMRC) - a three-day mega event during **December 07-09, 2024** that aims to bring together a distinguished group of research scholars, academics, doctoral students, and industry practitioners to network, and explore diverse research themes. With 11 tracks spread across three days, the theme for this year's conference is **Confluence of Growth, Sustainability, and Resilience**. Besides increasing the visibility of the institute's research, another core objective of the IMRC is to foster interdisciplinary collaboration that drives future-oriented insights and innovations. Over the years, IMRC hopes to evolve as a premium management conference in India.

Networking Forum:

Day 1 of the conference (**December 7th**) will be dedicated to research scholars and doctoral students. It will include informative workshops and tutorials designed to enhance their research skills. The highlight of the day will be a **Networking Forum: Where Scholarship Meets Opportunities in Management Education** featuring prominent management institutes in India. This event will provide a unique opportunity for management institutes to connect with high-quality management PhD students from top-class business institutes across India.

The Networking Forum will present a platform for PhD students from various fields, including **business analytics, decision science, economics, entrepreneurship, finance & accounting, information systems, leadership, marketing, operations research, human resources, organizational behaviour, and strategy**, to engage with leading management institutions. The event aims to enable Ph.D. scholars to explore the academic landscape and research work being undertaken at top-tier management institutes. Additionally, management institutes will have the chance to evaluate them as potential faculty members and identify promising teaching and research talent. This exclusive event is scheduled for **December 07, 2024, from 4:00 PM until 6:30 PM**.
